PIONEER

"Derrick is pioneering a whole new generation of online community and content relationship making." - Chris Brogan

"I see him more of a pioneer and an initiator to influence opinion on social media issues." - Mohd Hisham

BOLD

"If the world needs nothing else, it is people with the courage to be their most authentic selves. Derrick sounds like he's on the right course to me." - Kevin Carroll

CREATIVE

"Derrick is a smart and creative individual, and I see great potential in whatever he chooses to do" - Jessica Mah

"A project framework and timeline is the minimal that I need to convey to him, leaving him the freedom to propose and implement the solution for the project...He often impresses me with out of the box solutions." - David Phua

"He's a super creative guy who constantly tries to find and fix problems around him." - Bjoern Weidlich

"I remember especially his ability to think critically and creatively, as demonstrated by his keen questioning, and his clear articulation of ideas." - Jason Lai

INSPIRING

"I've been just as inspired by him as he says he is by me" - Sarah Deutsch

"Derrick has written some brilliant posts, thoughtful and heart-felt, that have the ability to raise us up to show us our next burst of energy, or to change the way we perceive our own future." - Chris Brogan

"He is the type who transforms an inspiration into a long-term project." - Eric Valles

INSIGHTFUL

"I have been following his blog, Sui Generis for the last couple of months and he always seems to have an interesting angle on a topic." - Tom O'Leary

"I'm continually impressed by his insights into all of the topics he writes about....He has a unique and thought-provoking view of the world" - Sarah Deutsch

"In my dealings with him he has demonstrated depth of insights and a positive attitude" - Valeria Maltoni

"He manages to find some of the best links on the net, but it is his thoughtful reflections on life I enjoy most." - Peter Clemens
